

## QUALITY POLICY

At MSBTE we believe quality is delivered through people, technology and systems which are ultimately directed towards the social objectives, development of technical education and customer satisfaction, while meeting all the statutory and regulatory requirements as applicable

To meet the above at MSBTE, the Director will

- + Review the quality policy periodically
- + Establish suitable quality objectives and reviewed periodically
- + Continually improve the quality management system
- + MSBTE commits to all the applicable legal and the regulatory requirements
- + Committed to implement the policies of Government of Maharashtra and Government of India

Mumbai

Director
